

# Since 2011

EUROPEAN FEDERATION  
OF PSYCHIATRIC TRAINEES  
**EXCHANGE**

The EFPT exchange programme arranges unique and individualized short-term psychiatry trainee observerships in a variety of European countries.

It is an opportunity to experience differences in psychiatric healthcare or know what it's like to be a trainee in another European country.

**Who:** Trainee from EFPT member country

**What:** 2 to 6 weeks observership

**When:** Application period twice a year

**Where:** 12 European countries

**More info:** <http://efpt.eu/wordpress/efpt-exchange/>

**Application fees:** No

**Questions:** [exchange@efpt.eu](mailto:exchange@efpt.eu)

## VACANCIES 2015

*The EFPT programme does not only exchange trainees but allows the exchange of ideas and philosophies; it offers an opportunity to reflect upon our own practice and to learn from each other.*

*Trainee from UK visited Denmark.*
